# FOREWORD

When time has rendered our school days but a memory and our present life is but a chronicle for the future to view in retrospect, it is our hope that we will have shown ourselves to good advantage.

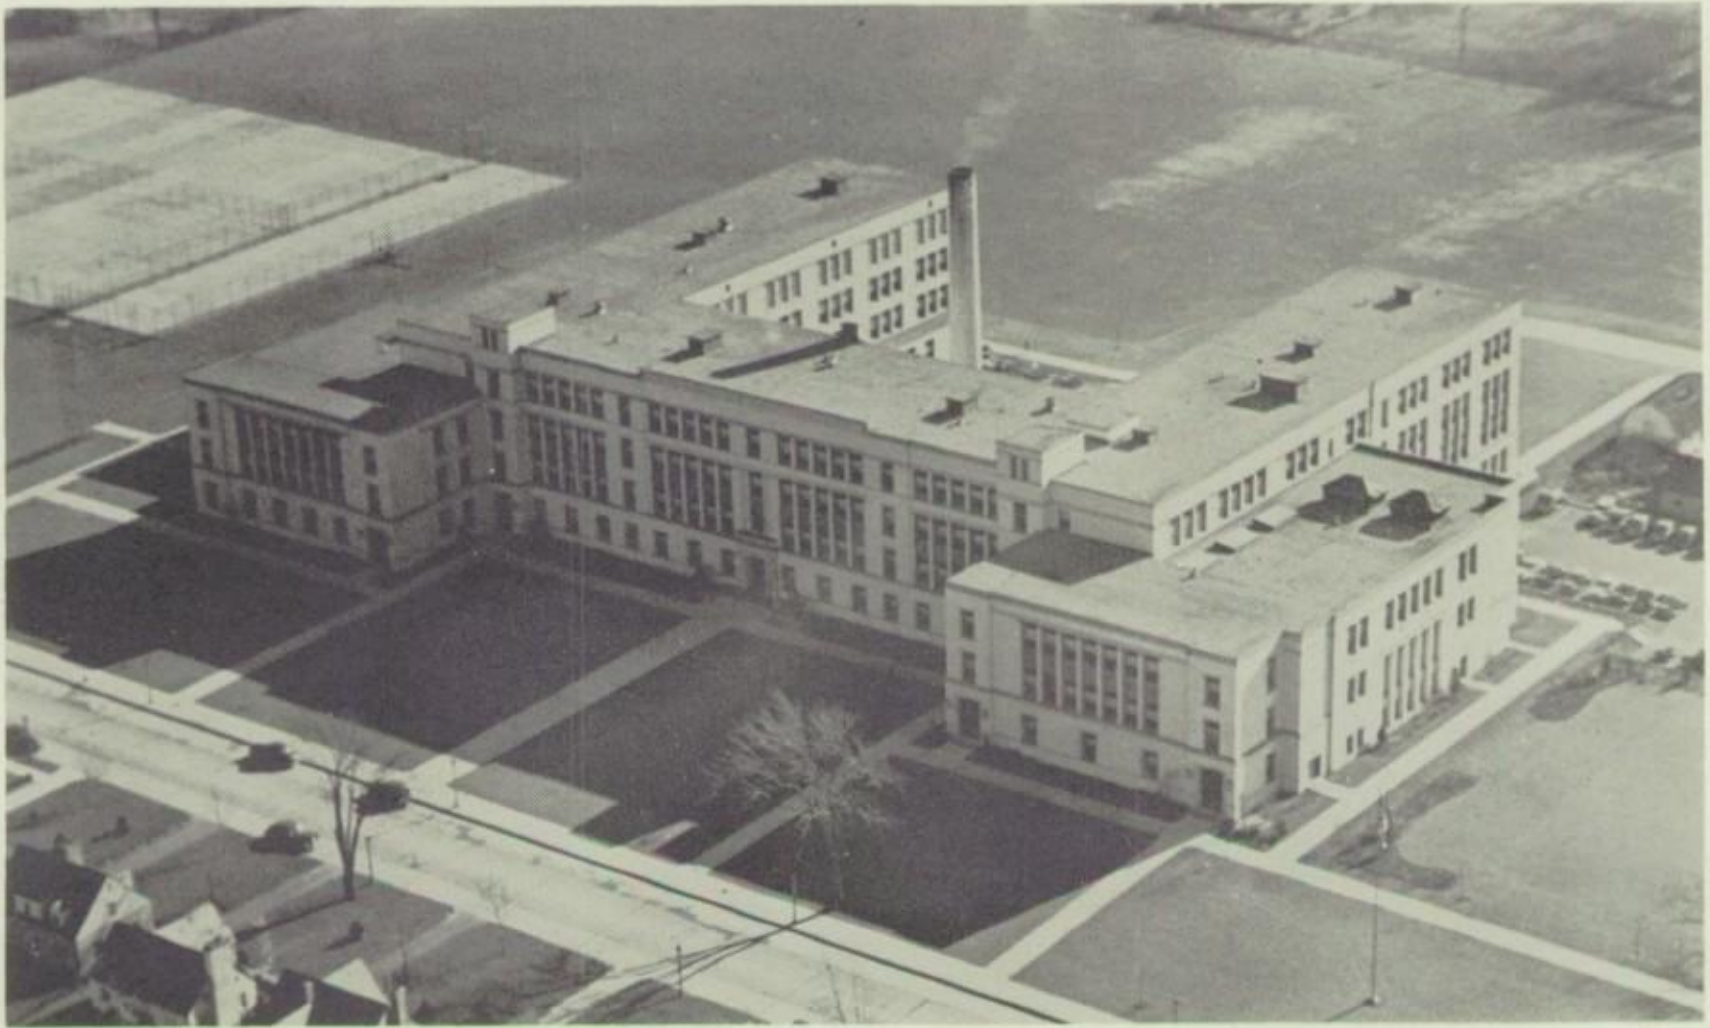

These are sombre times, troubled times, and yet the class of 1951 feels that a theme such as we have chosen is a much needed contrast to the prevailing tenor of the times.

We wish, in future years, to be able to recall the pleasant memories which we obtained during our three years at Kenmore Senior High School. Thus we hope, through the medium of our gay, light-hearted theme, that we may bring a feeling of delight and nostalgia to each and every reader.

# THE BIG TOP

## ALMA MATER

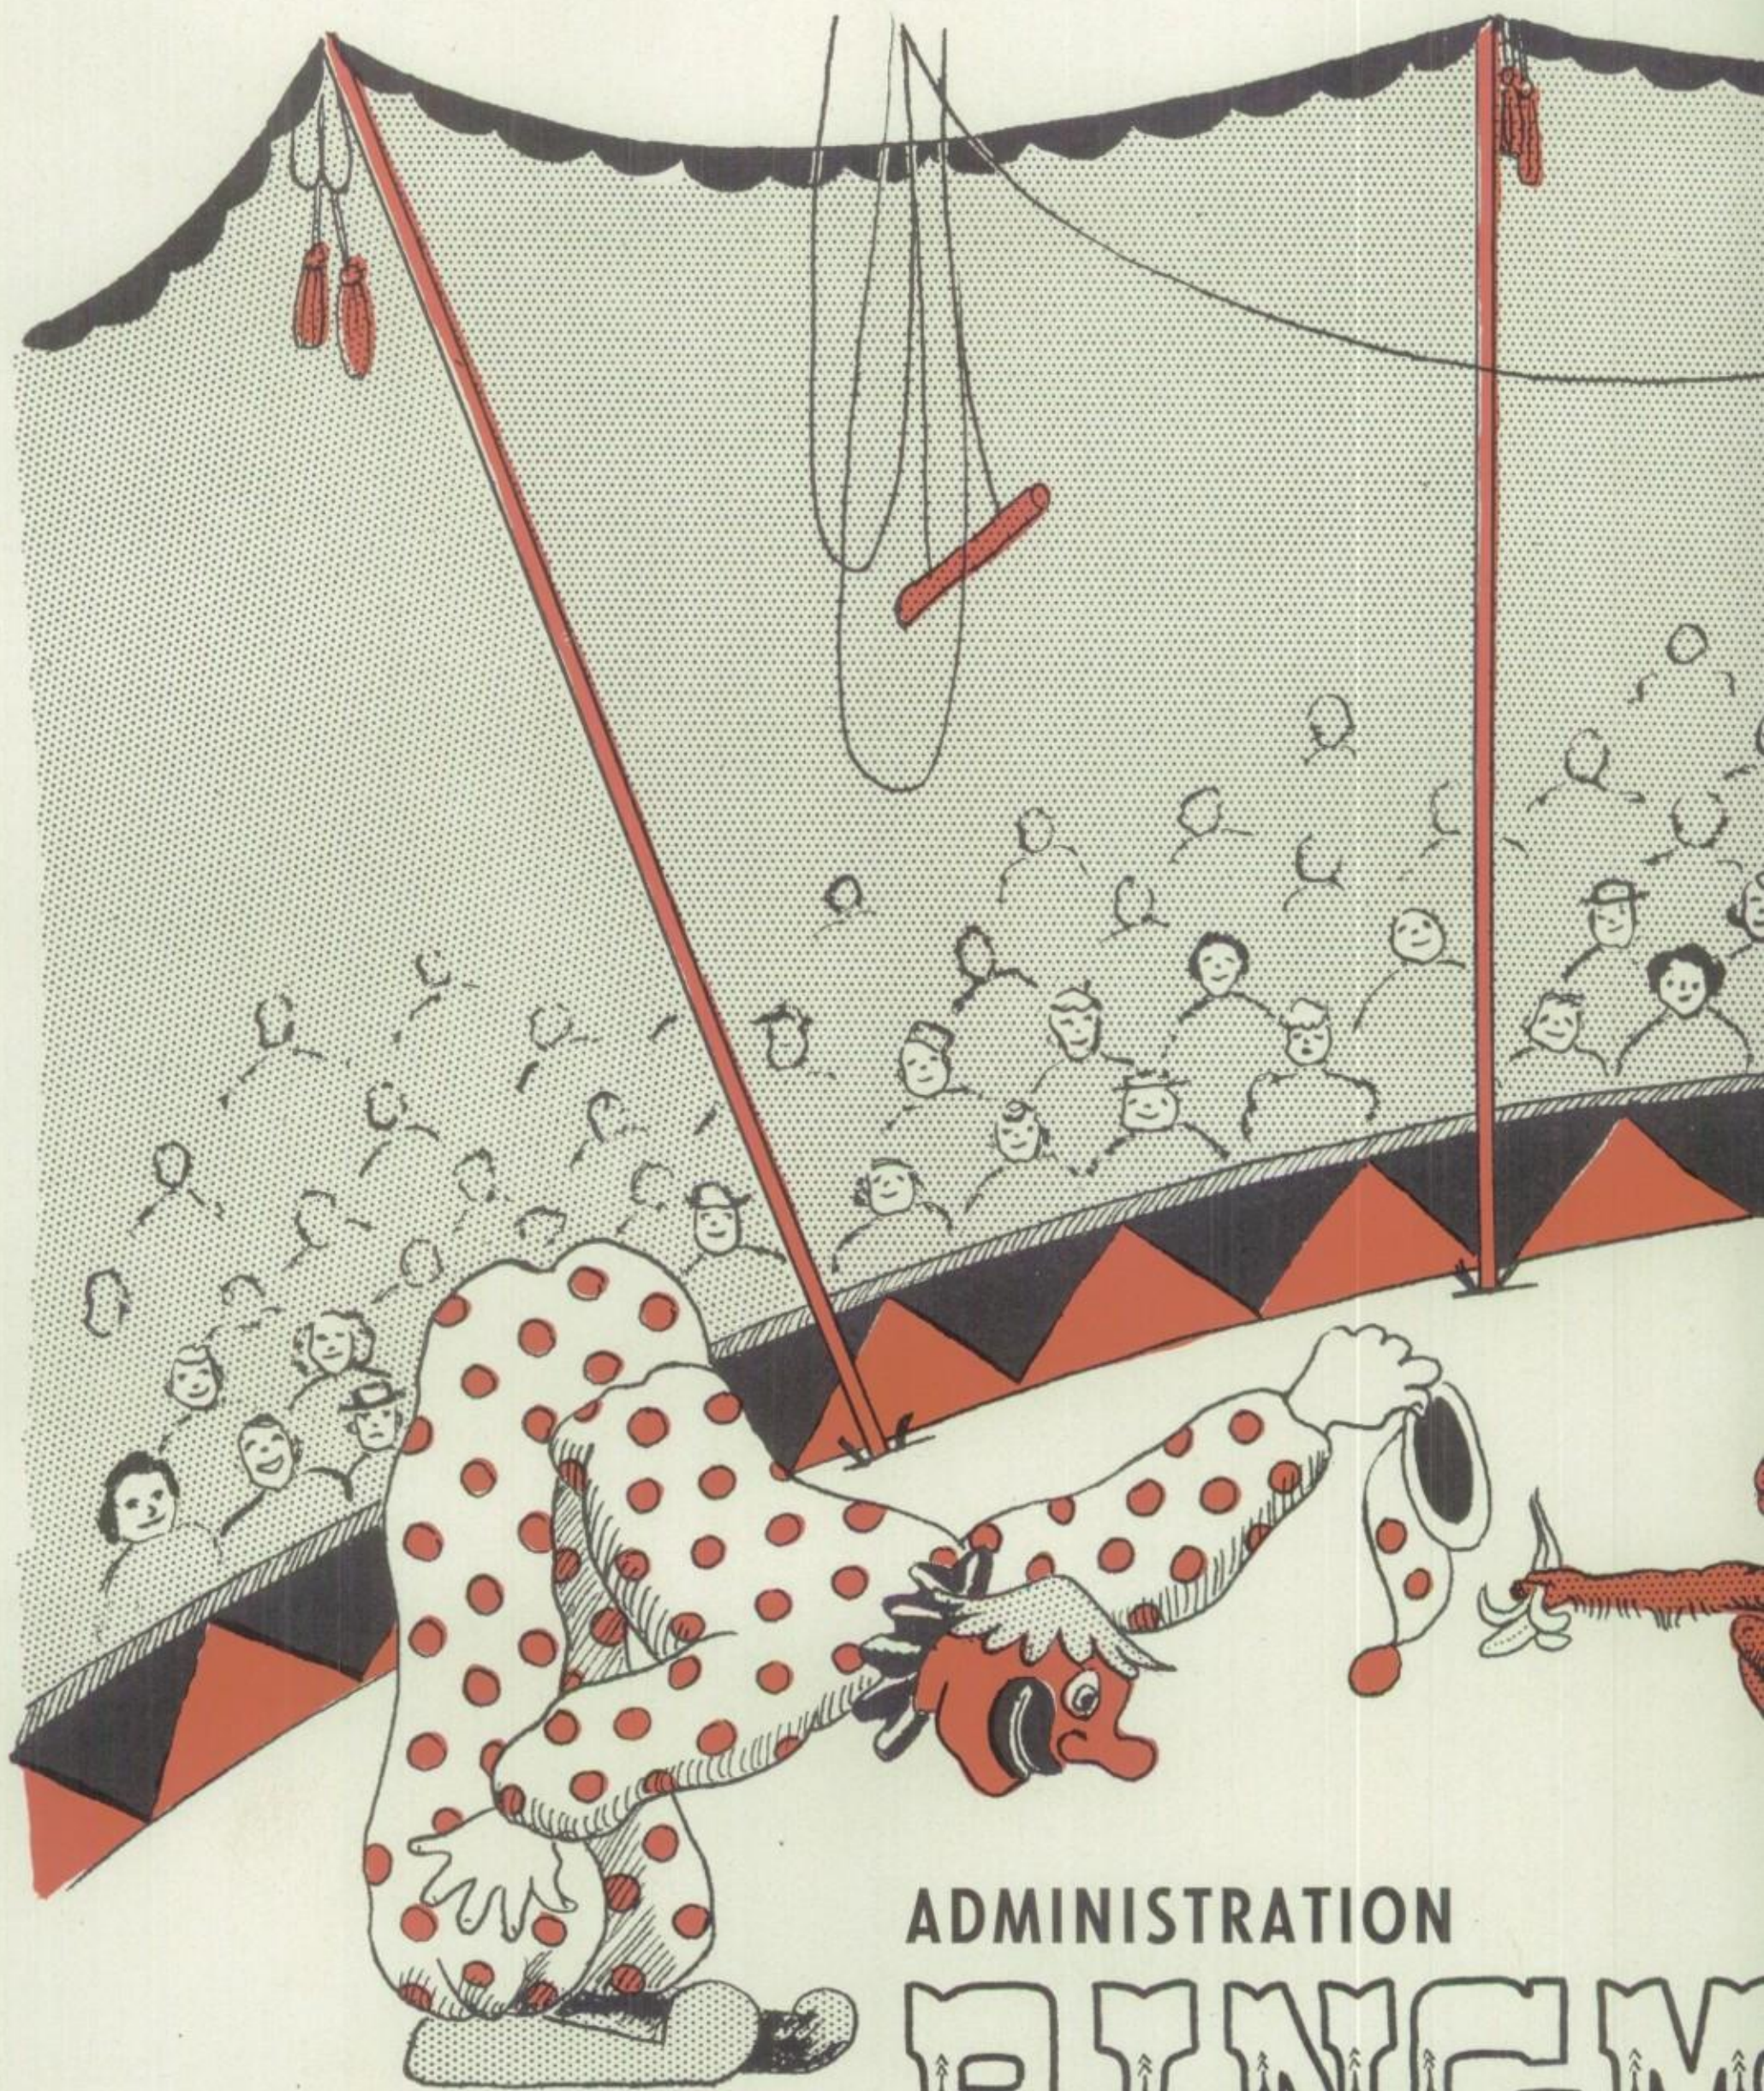

### I

We sing to you, oh alma mater;  
We spread your praises far and near.  
We're proud to be your sons and daughters;  
Your honor we uphold as dear.  
For years you've always held before us  
Ideals that are both fine and true;  
So now we pledge, oh Kenmore High School,  
Our loyalty to you.

### II

With joyful hearts we'll ever cherish  
Our memories of our high school days;  
Your name forever more will stir us  
To shout aloud your well-earned praise.  
Your waving banner will inspire us  
To cheer your colors white and blue.  
So now we pledge, oh Kenmore High School,  
Our loyalty to you.

IN THIS world of discontent, we, the Class of 1951, are facing a period of indecision. Our minds are uneasy, clamoring for the response to questions which cannot be answered. Accordingly, we turn to our teachers and school administrators who can give us a helping hand. Our dependence upon them in the past for the knowledge they have ingrained in our minds, leaves our hope for the future founded on that knowledge. Their guidance is one beam of light that has not failed us; and that guidance will continue to be a beacon in the crucial years ahead. Thus, we sincerely thank and express our lasting gratitude to the Board of Education, to the administration, and to the teachers of Kenmore Senior High School.

## OF TOMORROW'S TROUPE

Myriad eyes anxiously gazing,  
To view this skillful being.  
Eager to be amazed or left in doubt,  
Skeptical of what they are seeing.

These performers who are but youths,  
Have passed through triumph and sorrow;  
The world is ready to greet such ones  
Who will shape the troupe of tomorrow.

After days of careful study,  
They have persevered the upward climb;  
Through the medium of priceless experience,  
Their preparation has been designed.

Like bareback riders in their stately group;  
These youthful clowns have been schooled;  
The tools of nature are in their hands,  
The path is clear for their debut.

Will these youths be fashioned thus,  
That success will be loosed from her cell?  
How will the eager eyes be rewarded?  
Only time can tell.

# BULLETIN

It is with sad hearts that the roustabouts fold up the last remnants of the circus tents. As the wagons move slowly away, the star performers look back sadly at the site which represents three of the best years of their lives. However, the troupers discovered several precious items which they were unable to take except in memory, and these they leave to the performances of '52 and '53.

WE LEAVE . . .

The counsel and advice of the manager, Mr. Stark, which might prove helpful to the manager of 1952.

Since the barn is not available to the forthcoming seasons because of its recent removal, we would like to leave a last word of reverence . . . Holy Smoke!

The driver training car with its warn clutch and stripped gears to the future "hot rod" fans of Kenmore.

A contract for Johnson and Johnson, the well known medical supply corporation, for the next football season.

A year's supply of Kleenex tissues and Ponds Lips (which stay on and on and on) for the corridor casanovas!

Those delightful (?) odors which have served as an appetizer to the delicious home-cooked meals of Kenmore High School.

Last, but certainly not least, and with regret, our teachers who have capably guided us.

# PAST

Once we were the untouchables—the low caste south-morons, lowest of creatures as viewed by the select upperclassmen. Gone was our sacred position of yesteryear. Our new lot in the Senior High School was comparable to the rank of protozoan in the animal kingdom.

Characteristic of sophomores, we displayed the usual abominable traits such as dumbness, ignorance, and general obnoxiousness. Our lingo was even obsolete, for we were still associated with childish expressions such as “freeze” when there were priceless gems in circulation such as “Kilroy was here” and “Drop dead.” But somehow we survived . . .

We managed to put on a Sophomore Show, which feat had not been attempted previously for quite a number of years. We also chose leaders to further our grievances in the Student Council. Our ringleaders were Allison Matthews, Joan Schroeder, Ron Tracey, and Chuck Mackett. We also chose a ringmaster—Mike, “the Major”, Stark. Some of us went out for sports; many others became interested in extra-curr . . . , well, outside-of-school activities. We attended the football games and got a big kick out of new and different school affairs. Our prestige somewhat wavered after bucking the January exams. We settled down to work, passed, and looked enthusiastically forward to elevation in all respects of school life.

We are the Juniors, or “spokes.” No longer are we detestable children, but adults. Yes, even connoisseurs (of studyhall dictionaries and cafeteria spoons). We began to vary our activities and, soon we had infiltrated all walks of school life.

Ringleaders for this year were again Allison Matthews, Joan Schroeder, Ron Tracey, and a newcomer, Bob Martindale. We managed to summon a wealth of talent together as we put on the Junior Show—and it went over big (anyway it was a long show.) We collaborated with the sophomores to produce a semi-formal dance which was actually a combination of the Junior Prom and Sophomore Hop.

Many of us participated in athletics with some making varsity squads. We accepted our social position with dignity and at the termination of the junior year looked ahead with enthusiasm to September, 1950.

# PERFORMANCES

We are sedate seniors. Awe-inspiring is our grandeur in the eyes of our fervent admirers. We are a paragon of beauty, poise, and sophistication—the essence of self-confidence and the quintessence of virtue—the knowledge of ages, the wisdom of Solomon—no longer do pedagogic “words of wisdom” inspire us to dazzling heights. To us, no one has lived before us, and no one will live after us. We represent the Joe College and Betty Co-ed of tomorrow (and maybe even the G.I. Joe.) To summarize us in a few simple words—we are the “wheels.” But an end to laud and glorification . . .

Looming up from behind the “fighting spirit” of Ernie Hambleton came Herman Markell, who was elected Student Council President on promises of keeping things at school the way Ernie had left them. Senior officers were Joan Schroeder, Bob Martindale, Ralph Case, and Barb Simpson. (This class is in a rut!)

We took time out from trig and English to put on another in a great line of Mondo Productions, the Senior Carnival. Not only did we see Indians, watch the Charleston, and hear ultra-modern melodies, but also we became acquainted with effervescent personalities such as “Gullible” (and our lovely queen, too, Joan Schroeder.)

Soon rave notices were published by our critical pedagogues and we discovered we had “potential scholars” in our midst—Ruth Rittenhouse and Dave Arnold, who came in first and second respectively.

For some of our big top players, college boards and scholarship exams threatened the future; for others, business interviews loomed ahead. Still others left “Nightmare Alley” to join “Uncle Sam’s fraternity.”

Then came class day with its consequent awarding of letters, honors, and scholarships. The Senior Ball came and went as only a glorious reminder of our still more glorious past.

June exams were quickly hurled and graduation day arrived. Misty-eyed (heck, bawling) were we all as we realized the termination of our presence in the grand old hallowed halls of K.H.S. The circus was breaking up and ending its season with a grand finale—but such was life, with its ups and downs. Few of us will forget our “alma mater” as it remains an example of our American way of life. It will help to serve as a source of inspiration as we tread along life’s highway.

## COMING ATTRACTIONS

Everyone's heading for the greatest show on earth, "Owen and Murphy Super Circus." The cars are piled up on Sheridan Drive, and Sergeant Bill O'Brien is having a hard time keeping the cars in line. Oh, oh, there goes Al Conroy trying to pass an "81" Cadillac. Wow! He made it. We wheel our old "68" Buick into the parking lot of the Markell Stadium, which was dedicated to our beloved mayor, Herman Markell. We leave our car in the capable hands of Dick Cutaia, the head parking lot attendant. In the stadium we see a few famous people who are alumni of K.H.S. There's Eleanor Peirce, star of stage, screen, and radio. Isn't that Nils Nielsen, the United States Olympic star, who has just signed a contract with Patrick Kelly Productions Inc. to play the part of Tarzan in "Tarzan and the Amazons"? We buy our tickets for the show from Herm Kubanek, the "Silent Salesman," and Bob Murphy sells us a program which was printed by the Cogswell Copy Company (better known as the C.C.C. from Maine to Tennessee).

Let's have a quick glance at the midway and side shows since we have some time before the big show begins. As we walk by the many concessions, we hear the voice of the Circus Barker, Bob Bedworth: "Come one, come all, don't miss the show, step right up, don't be shy. See the lovely dancing girls: Muriel Schamberger, Nancy Kort, and Carol Bloch." . . . Look at that poster, MGM's latest production, "The Man Women Dream About." It's Chuck Hill, starring in the "Lady Killer." Among the many side shows we see . . . The Siamese Twins, Dorothy and Alberta Rowe . . . The Torch Twirler, Margo Williams . . . Bo-Bo the Trombone Boy, Dave Arnold . . . The Midgets, Marie Jedderman and Dan Callanan . . . The Strong Man, Roger Meadway.

We'd better hurry or we'll be late for the show. Carol Noble, the head usherette, leads us to our seats, and the show is about to begin. The booming voice of Don McCulty breaks through the air

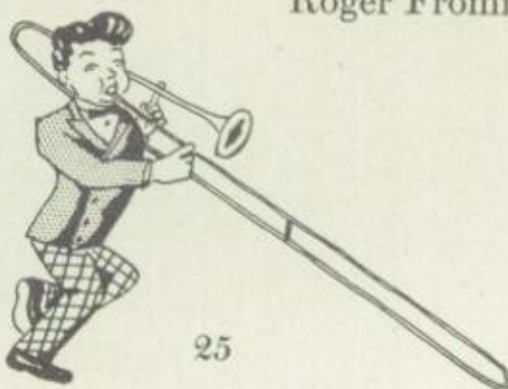

extending us a cordial greeting and also saying that Joseph Carver, the famous sports commentator, has proclaimed this the best show he has ever seen. John Mondo, master of ceremonies, makes his appearance at the far end of the arena and announces that the show will be opened with the singing of our National Anthem by Joyce Jough-ton. She is accompanied by Jerry Walters who has revolutionized all circus bands into "bop" groups with only "cool, gone musicians". The sound of the gun brings cheers from the crowd as the clowns, LaMarca and Champagne, dash into the ring, followed by the bareback riders, Janet Chase and Sue St. Louis. In the center ring we see Jerry Ames, the Lady Tamer, pardon, Lion Tamer, cracking his whip. In the outer rings Clyde Farnan, the fast talking magician, goes through his most difficult tricks; and Princess Olga, the snake charmer, (Marge Helfrich to her friends) fascinates us with her weird snake dance.

Looking around . . . Say, isn't that Mr. and Mrs. Tom Illig over there? (She's the former Virginia Dawsey.) Oh! And there's Private Ken Grieser saluting General Peter Hornbarger. General Hornbarger is now President of the West Point Military Academy. And over there is Gladys Glindeman, the well-known reporter of the *Herald Tribune*.

We turn back to the show in time to see the breath-taking performance of the trapeze artist, Joan Land, who does a thrilling tap dance on the high wire as a quiet hush falls over the stadium. During the intermission, Martindale and Mackett sell "cool, refreshing beverages" to the audience, while Don Greek, the peanut vendor, sells peanuts, popcorn, and souvenirs. Now our attention is taken to the far end of the arena, where Ralph Case will dive from the fifty foot landing into a wet dish rag! The twenty clowns jumping out of Bob White's car keep the audience in stitches with their colorful costumes and crazy antics. They all manage to escape just before the car blows up. The last act is the most thrilling of all. Ronald Tracey is shot out of the cannon into the loving arms of his wife, who is watching the show on television.

The "Greatest Show on Earth" has now come to a close. The performers and all those who have made this show possible sincerely hope you have enjoyed it.

*Standing:* George Anderson, Treasurer; Tom Blount, Vice President.

R. MEADWAY

Let's take a stroll along the fabulous midway and watch the Junior Performers rehearsing under the Big Top.

In the main tent, we see such performers as Gail Lynch, Barb Easter, George Anderson, and Tom Blount working industriously so that they and their associates might gain better recognition in the show of '52. These Juniors' excellent participation in such school activities as sports, clubs, student council, class shows, dances, and plays is to be highly commended.

Mr. Clark, their efficient manager, certainly deserves our medal of approval for his direction of such a fine troupe.

Although they are still amateur performers this year, we are sure that they will progress to bigger and better things as they take over the spotlight in 1952.

# COMING IN 1953

Just as eager crowds enter the circus with anticipation, so the Sophomore enters senior high school. David Foster, Sally Trumble, Philip Morey, and Marilyn Wilson were elected to guide their class, which now takes a place in the audience.

During the middle of the show the Sophomore gains dignity and becomes a member of the supporting acts. Finally, he reaches the pinnacle of perfection and is elevated to his rightful position as one of the star performers of the center ring.

Because of the excellent talent displayed thus far, we are confident that the show coming in '53 will be outstanding.

Our Student Council, made up of the "leaders" of Kenmore Senior High School, is an organization which tries to create a co-operative union between our student body and faculty.

The purpose of this council is to teach the students the principles and procedures of a democratic, self-governing body. The class officers and student council president, Herman Markell, worked with Mr. Frazier and Mr. Freeman to create a harmonious and congenial school government. The experience which the Student Council gives its members will prove beneficial to each one in preparation for active citizenship.

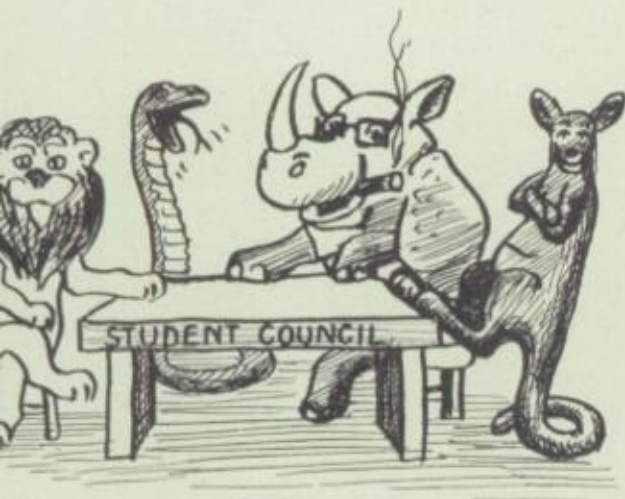

Our Friday night dances, as well as the annual Tinsel Ball, were planned by the Student Council. The music, decorations, refreshments, and wonderful time had by all, are proof of the fine job this group has done throughout the school year. Everyone will agree that our activities have been outstanding and successful.

However, our Student Council has done a great deal more than plan entertainment for us. The Community Chest Drive, the Junior Red Cross, and the March of Dimes were, as is the custom, sponsored by the Student Council. It also promoted the support of our adopted Dutch war orphan, Mieke Groothius.

President Herman Markell has done a great deal to build up the sportsmanship and spirit between schools during our athletic contests of the year. The program, which Herm presented over the P. A. system on Armistice Day, did a great deal more than bring tears to our eyes and lumps to our throats.

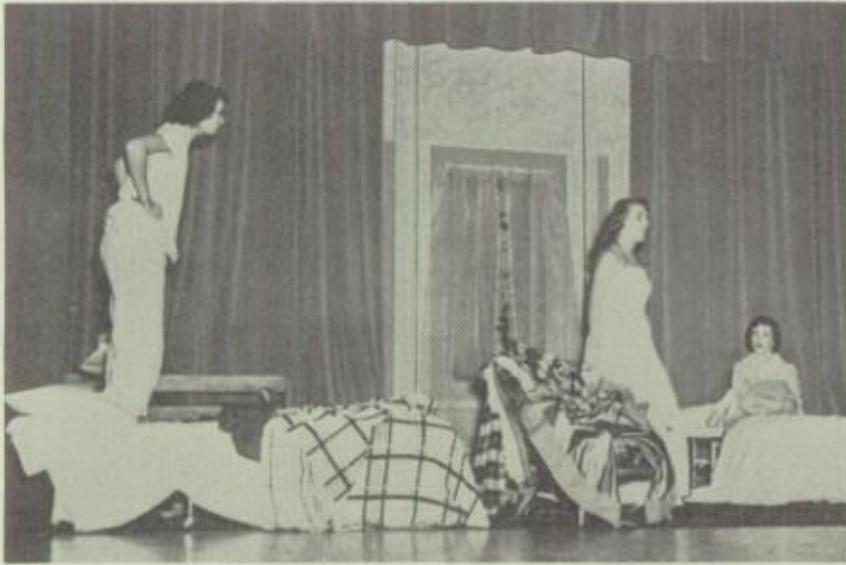

Without the financial aid given to us by the Student Council, our dance proceeds, and its support, this book would never have been published.

We wish to congratulate our Student Council of 1950-51 on an excellent job, and we hope that the Student Council of next year will be able to live up to the splendid record established by this year's group.

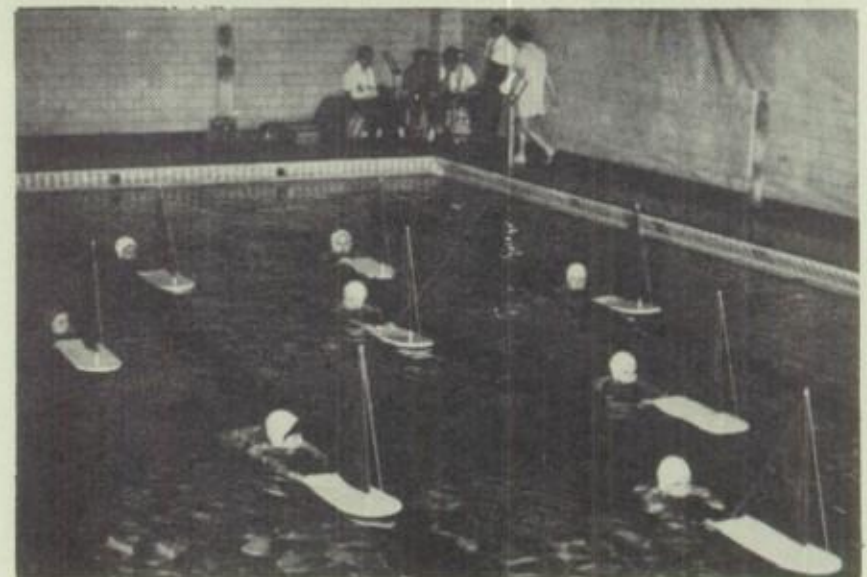

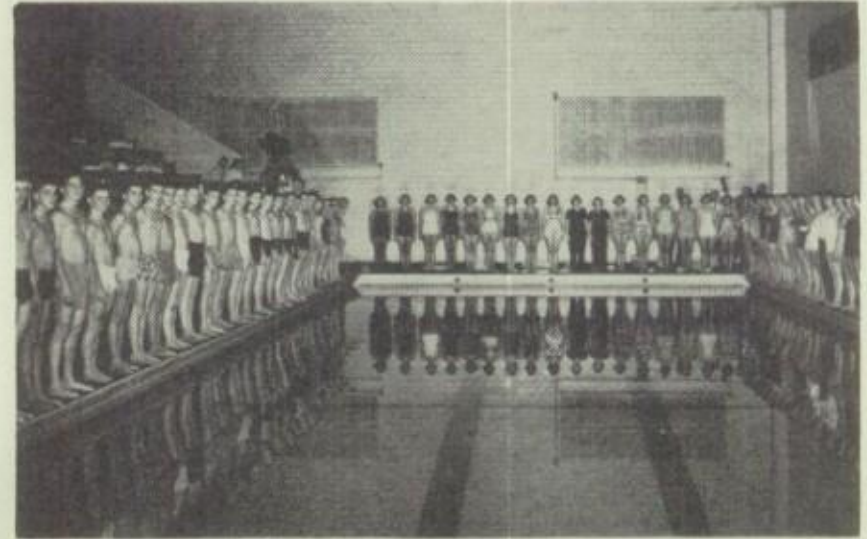

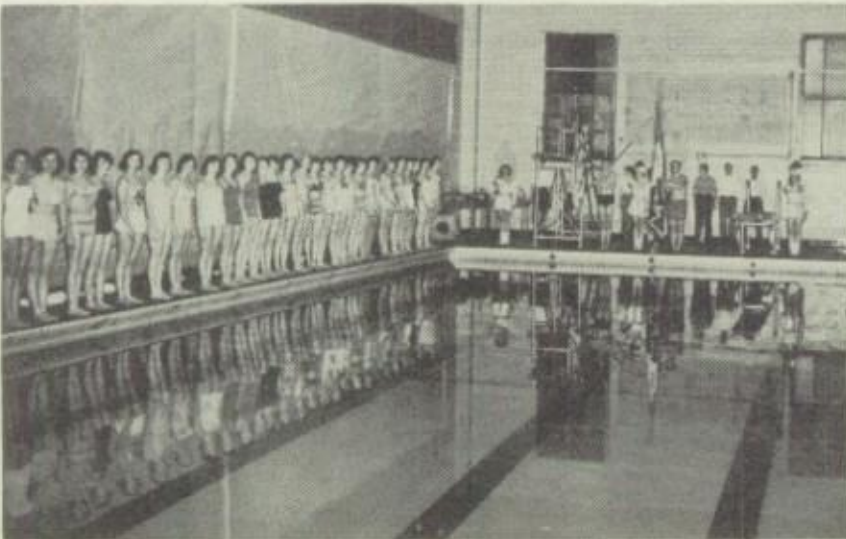

# STAGE DOOR

When the K.H.S. stage door opened for tryouts for the All-School Play last fall, approximately 150 aspirants for the rolls appeared. No wonder the cast was so good after winning the roles in such competition! Sue St. Louis, Pat Kelly, Herm Markell, and Eleanor Peirce played their parts to the hilt, and Miss Strong had another success on her hands.

# AQUACADE

The annual aquacade again thrilled hundreds of spectators at each of its four performances. Sally Miller and Robert Walker, the student managers, are to be commended on a fine job of production. The art department created a realistic South American atmosphere which complemented the performance of the swimmers. Miss Bollan and Mr. Bollier are credited with another successful water show which further established the Aquacade as a permanent event in Kenmore.

# SENIOR CARNIVAL

Once again our senior class came through admirably to score a large success on our stage. The talented seniors, under the student direction of Johnny Mondo and the supervision of our advisor Mr. Stark and Miss V. Elson, presented the theme of music through the ages. Representative of the evening's entertainment were Joan Schroeder's "I'm an Indian, too," and The Rhythm Five, both pictured above. The show set a new pattern for student programs and was an example of the co-operation which exists between Mr. Stark and the senior class.

# TINSEL BALL

Kenmore High observed Christmas time in the finest fashion at the annual Tinsel Ball. The excellent job done by the decorating committee made our ballroom warm and inviting for the dance. Ray Watkin's ten piece orchestra added the finishing touch with a well chosen mixture of smooth dance music. Our student council may be proud of a fine job of planning because the students who attended the Tinsel Ball were well rewarded with a wonderful evening.

The Kenitorial Staff this year has been directed by Mr. Rott as general advisor, Miss Chase as art advisor, and Mr. Frazier as financial consultant. Our gay, light-hearted theme has been very amusing and interesting, and we sincerely hope that our publication will be enjoyed.

Our editors have done a terrific job, and each one has turned out a really wonderful section. None of us will ever forget the last minute rush for ads during Christmas "vacation" or the black looks that we received from our editors when we missed deadlines and said, "Gee, I'm terribly sorry, but I had an English theme, and . . . maybe tomorrow . . ." Of course, they weren't in the next day either, and probably not until the harassed editor ran to Mr. Rott for help.

However, in spite of our trials and tribulations, we have completed the writing, photographing, drawing, and editing, and the 1951 Kenitorial is here. We hope you will enjoy it, one and all.

This year's orchestra has done much to bring about musical appreciation in our school. In addition to the fine assemblies the members have produced, they have also played for the Veteran's Hospital and participated in many local concerts. For many years now, Mr. Ortolano has been a symbol of good music in Kenmore High School.

One of the school's oldest and most worthwhile clubs is Alpha Phi Lambda. Under the supervision of Miss Elizabeth Chittenden, young writers and journalists develop their talents and learn to "hold high the torch of writing." Each year, the group edits its publication, *The Flame*, which contains the best original works produced by the members during the year. Prospective members submit samples of literary endeavor in manuscript form to be discussed and judged by the members.

Every Thursday evening at 7:30 and again at 9:30, the swimmers of Kenmore High make a mad dash for the locker rooms, and emerge shortly, clad in the conventional "Bikini" suit or those chic leopard skin trunks. While Mr. Miller and Miss Bolland shout threats and warnings, the more hardy souls dive and the rest jump into the pool, which looks like Coney Island on a Sunday afternoon in June. "Ouch, my back!" "Funny, I could have sworn there was water there a minute ago." You've never really lived until you've had someone sit on you, keep you under the water for about half an hour and then gaze at your blue countenance with concern and say, "Gee, I'm sorry, I was just . . . Hey! Speak to me!" This is the third year that Co-ed Swim Club, which has become one of the school's most popular clubs, has been in existence and there hasn't been a drowning yet!

## VARSDITY FOOTBALL

A hard-fought 19 to 12 victory over Lackawanna in the final game of the season enabled our Varsity Blue Devils to finish for the third consecutive year in second place in the Niagara Frontier League. Their fine record of five victories and two defeats—equalled by that of the afore-mentioned Steelers—was surpassed only by North Tonawanda's perfect mark of seven victories and no defeats.

Starting the season by dropping a non-league decision to Jamestown by a 20 to 0 count, our boys came back with a vengeance in their next game and trounced the Trott Varsity eleven 30 to 14. The victory over Trott greatly increased the squad's confidence and sent it into the traditional N. T. game, which had been moved up from the seventh to the third position on the schedule, undefeated in league competition. Played in Civic Stadium, the game drew a large crowd and very few in that crowd were disappointed. They saw a big, rugged N. T. squad pushed to the limit by an underdog but confident and fighting band of Blue Devils. But in the end, North Tonawanda's big weight advantage was too much and they managed to push over three touchdowns and capture a 21 to 0 decision. Then, as Kenmore squads have a habit of doing, our team came back to whip Lockport and follow up

that triumph by outscoring Tonawanda in the closing minutes to win 26 to 20. The next contest was an upset, and Kenmore was on the receiving end. Played in Niagara Falls, the game was close from the opening whistle, and the lead see-sawed back and forth, but when the final gun sounded, the Falls had a six point lead winning 25 to 19. Following the upset at the Falls, Kenmore conquered LaSalle and Lackawanna to conclude a successful season under "Jules" Yakapovich in his first year as head coach.

When post-season honors were distributed, Kenmore got its share as six players earned selection to the N. F. L. All Star Team. Rudy Kristich was named to a half back post on the first team; and Mike Morog, Lou Panezich, Ken Greiser, and Tom Whelan won positions on the second team. Ray Grace received honorable mention.

Only three of the seventeen players returning from the '50 Varsity have had a reasonable amount of experience, and Coaches Yakapovich and Oelkers will be forced to rely heavily on players who performed for this year's Junior Varsity. Nevertheless, we are confident that next year's team captained by Jerry Norgren will maintain the same high standard of play built up by Kenmore elevens in the past.

## J. V. FOOTBALL

The Junior Blue Devils also tied for second place in their league. They swept through their first three games but "ran acroper" against a strong Lackawanna eleven in their finale. The final score was 15-7 and the loss ended a string of 13 straight games without defeat.

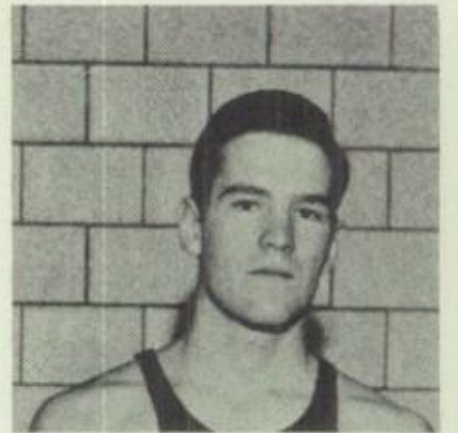

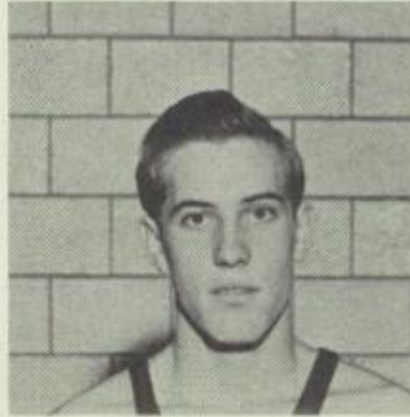

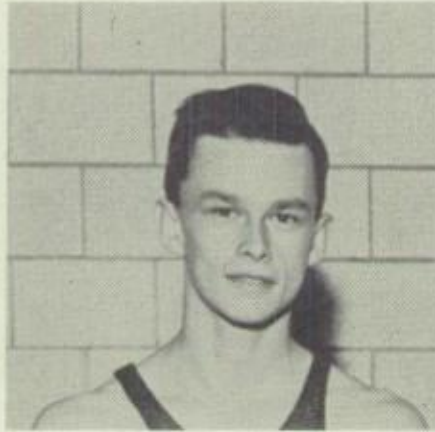

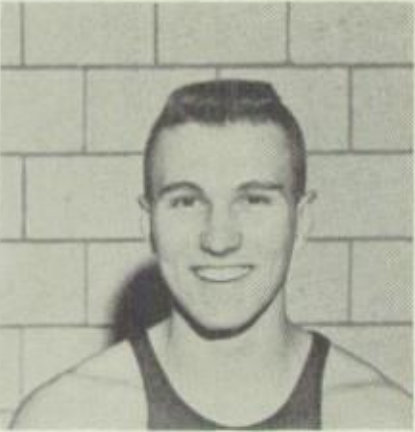

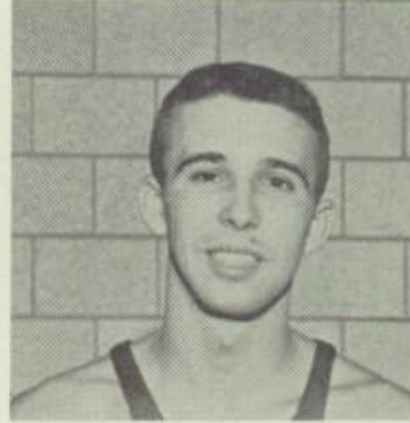

There were few individual stars as all players contributed much, but some of the more outstanding boys were Best, Foster, Little, Kristich, Utz, MacCabe, Jacobs, Prey, and Barrett.

Next year's J. V. will try to regain the first place position that Kenmore teams held through the '48 and '49 seasons. Coaches Witzig and Twist are assured of the usual wealth of material that is always forthcoming from the Kenmore School System.

# BASKETBALL

# VARSITY BASKETBALL

Things are looking up on the Kenmore basketball scene! The 1950 Blue Devils compiled the best record—six wins and eight defeats—of any K.H.S. Varsity five since 1947.

After opening the season on the short end of a 65-35 score against Niagara Falls, this year's squad, which was at times unpredictable, rebounded to whip Lockport, win every second game and finish the first round with a mark of 3 victories and 4 defeats.

The second round started the same way, with Kenmore dropping a 76-46 decision to the Falls, but this time our Blue Devils won successive victories over Lockport, N.T. and Trott to move into a fourth place tie with the Lumberjacks. However, the all-out style of play in these triumphs had its effect on the squad. Following losses to LaSalle, Tonawanda, and Lackawanna, Kenmore dropped into a final fifth place tie with LaSalle.

Although our cagers fought hard in their playoff game, they could not maintain the scoring pace set by Tonawanda's Warriors and lost 83-52.

Jerry Ames, Gordie Trumpfheller, Jim Quinn, Joe Duffy, Harry Koerner, and Captain Tom Illig all contributed greatly to the success of the team. Duffy, Trumpfheller, and Quinn received honorable mention on the All League Team.

We wish Coach Rodgers and his cagers the best of luck and hope that the '51 season will see our Blue Devils finish high in the first division.

Row One: J. Ames, J. Duffy, T. Illig (Captain), D. Reilly, W. Sarson. Row Two: L. Smith (Manager), J. Addis, J. Quinn, G. Trumpfheller, R. Martindale, H. Koerner, Mr. Rodgers (Coach). Row Three: J. Carver, G. Dimmock, L. Panizich.

# J. V. BASKETBALL

Although Kenmore's J. V. Basketeers lost their opening game to Niagara Falls, it was obvious that Coach "Mike" Stark had developed a high-scoring, powerful quintet.

Living up to most expectations, our Junior Blue Devils raced through their next eleven games—winning eight while losing only three and averaging over fifty points per game. But in their final two games their scoring fell off, and our cagers bowed to Tonawanda 49-43 and Lackawanna 55-42. These losses made their final record eight victories and six defeats.

The playoff game was close from the start, and it was not until the final seconds that Lackawanna pulled ahead to stay, winning 58-53.

Honorary Captain Dave Young, Jerry Norgren, Skip Rohe, Don Stockman, "Monk" Carlin, Don Pray, and Phil Morey are some of the outstanding J. V. Hoopsters who should be wearing Varsity Blue and White next season.

Kenmore fans can be sure that Coach Stark and his cagers will work hard to bring the Niagara Frontier League J. V. championship to Kenmore in 1951.

Row One: J. Norgren, D. Young, D. McDonald, V. Riley, P. Pritchard, P. Bloomer. Row Two: F. Probst (Manager), P. Morey, J. Moran, D. Best, D. Pray, D. Carlin, D. Stockman, I. Dell, R. Kline., N. Stark (Coach). Row Three: W. Sweeney, J. Burns, J. Whisler, R. Jacobs, D. Rohe, A. Watson.

# TENNIS

Ever since the N. F. Tennis League resumed operations in 1948, Kenmore teams have dominated the play. The 1950 edition was no different and again took many of the laurels while tying for first place with North Tonawanda's skilled Lumberjacks. Each squad had a record of twelve wins and one loss.

The Blue Devils ended the season by capturing singles and doubles championship titles in the Section VI state meet for the first time in history. Harry Conlan won the singles crown, and Bruce Heacock and Bill Staley combined to win the doubles title for the third successive time and thus set an all-time mark.

Kenmore's '51 squad under the guiding hand of Coach Wessel promises to bring many more honors to Kenmore High School.

# GOLF

Kenmore's Varsity Golf team bounced back from a disastrous '49 season and stroked its way into a tie for second place in the N.F.L.

The able coaching of "Sher" Miller and the outstanding jobs turned in by Don White, Jim Woods, and Bob Denton were chiefly responsible for the satisfactory record of five victories, four defeats, and one tie. Although playing in the usually low scoring first position, White managed to lead all other Kenmore linksmen in scoring.

Next year's squad, captained by Jim Woods, promises to maintain the high caliber of play displayed by all members of the team during the '50 season.

Row One: C. Farnan, J. Morrissey, D. White (Captain), Mr. Miller (Coach), A. Vogt, J. Woods, R. Denton.

*Row One:* C. Williams, R. Case, E. Smethurst. *Row Two:* A. Baisch (Manager), R. Wink, E. Smith, P. D. Lange, K. Hennig, W. Murray, F. Day, R. Warner, N. Nielsen (Captain), Mr. Pohl (Coach).

## SWIMMING TEAM

After opening the season with consecutive triumphs over Amherst, LaSalle, and Lockport, Coach "Charlie" Pohl's Varsity Mermen turned around and dropped meets to North Tonawanda, Tonawanda, and Niagara Falls to finish the first round with a mark of three victories in six outings.

A repeat performance was a distinct possibility as Kenmore started the second round by once again whipping Amherst, LaSalle, and Lockport. But this time, after losing to N.T. and Tonawanda, our swimmers brought proud and happy smiles to the faces of Kenmore fans by coming from behind in the last two events of their second encounter with the Falls to win a close but decisive victory thus capturing fourth place in the N.F.L. with a record of seven victories and five defeats.

The excellent performance turned in by Ralph Case in the diving, Captain Nils Nielsen in the 100 yard breaststroke, Bob Warner in the 100 freestyle, Dennis Lange in the 220 freestyle, Frank Day in the 50 freestyle, and Day, Nielsen, and Ronnie Wink in the Medley Relay all served to make Coach Pohl's 24th year as Kenmore mentor another successful one.

Special laurels go to the Medley Relay Team which set a new league record of 1:29.0, and Frank Day who won the N.F.L. 50 freestyle title in the post-season finals.

Ken Hennig, Carl Williams, Bob Warner, Don Tuttle, Dennis Lange, and Everet Smethurst will form the nucleus for next year's team and, supplemented by outstanding Junior Blue Devils, should do much to make Coach Pohl's 25th year a memorable one.

*Row One: J. Metzger, D. Lownie, P. Cuthbertson, R. MacIntire, R. Baker. Row Two: Mr. Pohl (Coach), D. Frazier (Manager), W. Riegle, R. Thompson, L. Herlan, D. Tuttle, T. McLaughlin, O. Thorvaldsen, J. Shramek, P. Warnock.*

## "B" SWIMMING TEAM

Kenmore High School's "B" Swimming Team has served notice to all area schools that next year's Varsity squad will be a definite title threat in the Niagara Frontier League.

Under the direction and supervision of Coach "Charlie" Pohl, our Junior Blue Devils splashed their way into a second place tie in the N.F.L. with an excellent record of nine victories and only three defeats. Each early meet brought the necessary increase of poise and confidence that played

such a major role in Kenmore's drive for second place.

Don Tuttle, Pete Warnock, Bill Riegle, Ron Stalker, and Pete Cuthbertson are boys who showed great ability this season and should have successful Varsity careers next year.

We are confident that Coach Pohl's "B" swimmers will emerge victorious in '51 and will gain the experience needed for the Big Time under the Big Top.

# BASEBALL

Following losses to North Tonawanda and Lockport in the first two games on the schedule, Kenmore's Varsity nine came back to win five straight games and clinch a playoff berth in the N. F. L. for the fourth consecutive year.

The Blue Devils journeyed to N. T. for the opening game of the '50 season and were beaten 18 to 2 by a Lumberjack squad that was in mid-season form. The demoralizing effect that this terrible defeat should have had on the team was never forthcoming, and although the boys were beaten by Lockport in their next outing, they showed a will to win that was to aid them greatly in victories over LaSalle, Tonawanda, Niagara Falls, Lackawanna, and Trott.

Kenmore played good baseball in the playoffs but finally bowed to Lockport's Lions two games to one.

The starting lineup was composed of Jack Westcott, John Duggan, Bill Stoddart, Don Best, Bob Hark, Tom Whelan, Rudy Kristich, John McFall, and Joe Carver.

Coach Tom Kenny has six lettermen returning from last year's squad, and these boys should provide an excellent nucleus for the '51 nine, captained by Tom Whelan. At this time we would like to wish Coach Kenny and his squad the best of luck in the coming season.

Row One: T. Whelan, B. Stoddart, J. Westcott (Co-Captain), R. Kristich (Co-Captain), R. Hark, J. McFall, T. Illig, J. Duggan, C. Kay. Row Two: Mr. Kenny (Coach), C. Conover, J. Addis, D. Best, J. Ennis, H. Ullman, W. Sarson, J. Carver.

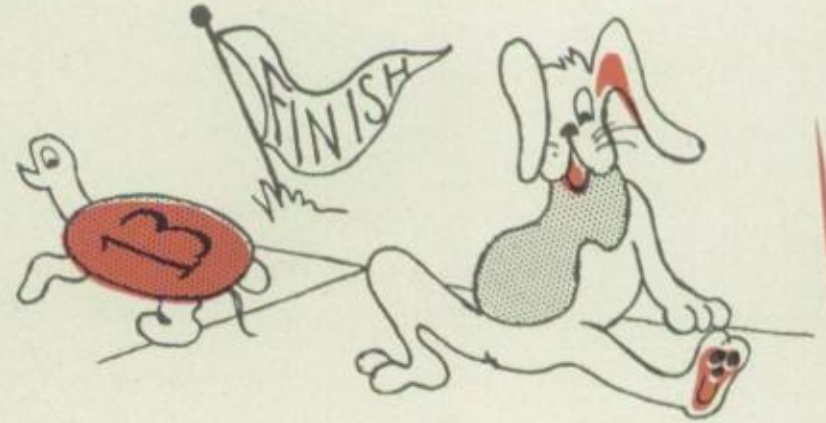

# TRACK

The 1950 Varsity Track season was one that saw many outstanding performances and three record-breaking feats by our boys in Blue.

Before bowing to Amherst and Niagara Falls in its final meet, the squad had started fast and had "racked up" five straight victories. From Kenmore's point of view, the high light of the season was its triumph here in the N.F.L. meet. Coming in the fourth contest of the year, the victory once again gave our Blue Devils possession of the Niagara Frontier League Championship! The only loss, coming in the Zone VI Class AA Championships, shattered a record of nine consecutive seasons without defeat.

Kenmore's athletes set records in the half mile, the 180 yard hurdles, and the shot put. Captain George Bertsch raced the half in 2:04.2 to clip one and two-tenths seconds off the old mark of 2:05.4 set by Coleman in 1940. Lynn Dawsey set the new record in the hurdles, while Roger Pfeiffer put the shot 45 feet to better the old record set by Roy Somogyi in 1945. Somogyi's old mark was 43 feet, eleven and one-half inches.

Next year's team captained by Roy Tighlman has all the earmarks of a winner and we'd like to wish Coach Bollier and his trackmen the best of luck. May next season see the start of a new and longer winning streak.

Row One: J. Tramontana, M. Golde, D. Klar, J. Cowles, V. Wiktorowski, M. Morog, W. Ramsden, G. Bertsch, H. Bowers, J. Keggin, R. Pfeiffer, R. Tighlman, L. Dawsey, R. Meer, R. Stromberg, J. Duffy, R. Hill. Row Two: D. Malone, D. Weaver, J. Barna, R. Abbot, W. Guercio, W. Baker, B. Banks, K. Greiser, D. Freeman, W. Duffy, R. Fredericks, D. Hammond, C. Williams, R. Hopkins, R. Roberts, C. Bollier (Coach). Row Three: R. Cowan, J. Burgler, R. Moore, F. Barrett, J. Woerner, D. Bruso, F. Flannery, W. MacIntyre, G. Payne, D. Rosenthal, R. Plumb, D. Fleischman, D. Papineau, A. Heim, C. # GIRLS' SPORTS

Miss Marie Kauffman

Miss Viola Diebold

Let us present two of our finest ringmasters! We are speaking, of course, of our fine girls' athletic directors, Miss Marie Kauffman and Miss Viola Diebold. Under their direction the talents of Kenmore's feminine acrobats are developed to the fullest.

Miss Kauffman is well-known to us all. Under her expert guidance Kenmore has gained first place in the telegraphic bowling meets in recent years. She is responsible for the success of the Girls' Letter Club as well as the many sports she supervises.

Although Miss Diebold has been with us only a year, she has already won our respect and admiration. Through her efforts a referees' club was organized to teach the girls the rules and regulations in basketball.

Both athletic ringmasters deserve our hearty applause for the excellent training they give the aspiring acrobats.

Amid the many fall activities we found that bowling ranked high on the girls' list of favorite sports. Again the "Ten Pin Club" was a beehive of activity. The girls of this years bowling teams strove for the "strikes" and "spares" in order to qualify for the annual Telegraphic Tournament which in the last two years has been won by our Kenmore gals.

Although Kenmore's windy weather does not afford an opportunity for outdoor badminton, this sport is played indoors with great enthusiasm by Sophomores, Juniors, and Seniors. Once a week these girls meet in the gymnasium to enjoy an exciting game of badminton.

With the coming of the winter sports season, the girls of K.H.S. began playing basketball, and their enthusiasm for this sport is clearly shown in the above pictures. A few games of basketball with other schools ended their 1950-51 basketball season.

## REFEREES

"Are there any girls here who would like to referee?" This call was heard often enough to arouse the interest of many. These girls wanted to learn the fundamentals and procedures necessary to conduct a competitive game—full of good sportsmanship. The results of this group's venture were remarkable and our games took on a new spark of interest.

# PING PONG

A great deal of skill and perfection is needed to make a good Ping Pong player. These girls swung their paddles fast and furious while battling for a chance in the finals. Regardless of who becomes "Champ," the game is lots of fun and enjoyed by all who participate.

## SQUARE DANCING

"Dosi Do your partner in that good old mountain style." This was a familiar call from the Girls' Gym as Square Dancing got under way again this year. Under the excellent supervision of Miss Kauffman and Miss Diebold, the girls chose their partners for a regular old fashioned square dance and spent many pleasant hours dancing "country style."
